**Subject: Withdrawal of Field Trial of "Resin Capsules" manufactured by M/s Zedtech Associates, Nagpur in mines as grouting medium for roof bolting operations in belowground coal mines.**

Dear Sir,

Please refer to this Directorate's letter no. S29023/434/2011/S&T(HQ)/570 dated 25.05.2012 according field trial permission of Resin Capsules manufactured by your firm namely M/s Zedtech Associates, Nagpur in mines and the inspection made by a committee comprising of an officer of DGMS and a representative of the user industry on 11.06.2012.

Scrutiny of the above inspection report revealed that your factory is not suitable for manufacturing resin capsule as per the standards prescribed in DGMS/S&T/Tech. Cir. (Approval) No. 03 dated 22.09.2010.

In view of the observations, the condition no. 2(a) of the field trial permission of resin capsule manufactured by your firm namely M/s Zedtech Associates, Nagpur in mines vide this Directorate's letter no. S29023/434/2011/S&T(HQ)/570 dated 25.05.2012 had been violated and therefore the said field trial stands **withdrawn** with immediate effect in accordance with condition no. 9(b) & 11 of the field trial permission letter.

Yours faithfully,

Director General of Mines Safety
